

To Young AMASC Worldwide

World Association of Alumni and Alumnae of the Sacred Heart (those aged 18-30)

International hospitality has always been a priority for AMASC. As a worldwide family, we have the opportunity to be a resource for each other as we travel or relocate around the world. With this questionnaire, our plan is to create a data base of former Sacred Heart students within the larger AMASC hospitality program.

“Hospitality” can mean any or all of the following:

1. Answering questions about your country prior to a visit
2. Giving advice
3. Being a point of contact in your country in case of an emergency
4. Meeting at the airport
5. Showing your town
6. Offering a few days accommodation, or longer
7. Meeting for coffee
8. Being a friendly voice on the end of the phone

Your contact details would be passed only to people who are known members of AMASC and you would be contacted in advance. Being on the list does not obligate you to do anything. It is up to you to agree with the other person what, if any, help you're willing to offer.

If you are happy to be contacted by someone who wants to visit your country or town, or if you have any questions, please fill out the details below, and return this form to florencemaybury@hotmail.co.uk.
